Dear Sir,

I am born (am U.S.) citizen, although born in Zurich Switzerland in 1858. My father Mr. Frederic Hilgard became naturalized in Belleville Ill in or about 1840 or 1842. Those naturalizations papers are lost and the records in the court house of Belleville, were destroyed by a fire many years ago. My father had a passport given in 1841 (Belleville) signed by Alex. Hamilton Secy of State, (and also later renewal of it in 1872 I believe) through my uncle Prof J.E. Hilgard (then Supt U.S. Coast Survey) This has been deposited in Zurich or at the authorities ever since my father's death in 1874.

I have resided in the U.S. since 1883 & have had passport given me in 1890 Dec 31st by mer (#20063 in Congressional)
Hon James G Blaine Secy of State since I was appointed Special Agent (Commissioner) for the purpose of procuring in Europe. I wish to leave for Europe in early part of Sept & make therefore my present application for passport application in regular form now on file, for the same herewith enclosed.

St. Paul, Minn.

My mother Mrs. Louise Hilgard (von Claer her maiden name) and my sister Miss Marie Louise Hilgard, both resided in Zurich since 1853 and 1856, respectively. My mother married my father in 1853 who was at various times U.S. Vice Consul at Zurich under Messrs. J.H. Gourlie, Lamport, Byers & others and acted for some time as U.S. Consul. He always retained his U.S. Citizenship until his death in 1874 and on the strength of his citizenship my mother my sister (born in 1856) and myself were always considered U.S. citizens. I have actively exercised my citizenship since 1883, voting in 1883 for the first time in the U.S. elections for president & never took out any papers having always registered & been recognized as U.S. citizens. The present U.S. Consul in Zurich (Mr. Jarvis) states that my mother & sister must secure a new passport and have it renewed annually at an expense from $2 to $5 (am not certain which) & this never seemed necessary until now since the circumstances as stated above) to show that my mother & sister are American citizens, otherwise

Mate Jacobus 9/2

Sir:-

In answer to your letter of the 31st ult., relative to the name and address of the remitter of postal money order No. 283313, issued at this office Aug. 26th, 1897, I beg leave to inform you that the name and address of the remitter of the order in question was given in the application for the order as, Isserman & Jacobus, 53 No. 193 Mason St., respectively.

Very Respectfully,

Postmaster.

Chief, Bureau of Accounts
and Disbursing Clerk,
Department of State,
Washington, D.C.

Mr. Adee:

This man speaks the truth as to previous issues of passports to him and to his father. Mr. Kasson issued a passport Sept. 9, 1884, to his father, St. Bernhard Neumann. It appears from the application that Br. B. had lost his certificate of naturalization in 1863. Shall we issue the son a passport on the strength of our previous issues to him & his father abroad, or adhere to our requirements — that his own or his father's naturalization certificate is essential?

Aug. 27th

F. T.

TO ASSISTANT SECRETARY,

AUG 27 1897

Mr. Hunt

Mr Kasson was always very scrupulous about passports and doubtless satisfies himself as to the fact of the parties' naturalization. I am disinclined to go behind his judgment unless there be some reason to suspect fraud, and no such reason appears in the papers now before me.

Acting

STATE OF NEW YORK,

CITY AND COUNTY OF NEW YORK, SS:-

I, JACOB NEUMANN, a naturalized and lawful citizen of the United States, do solemnly swear that a pass-port was issued to me as an American citizen by Robert M. McLane, Envoy Extraordinary, and Minister Plenipotentiary, of the United States to France on the 14th day of May, 1887, said pass-port being numbered 237, and being in my possession at the present time.

I do further swear that this pass-port was procured by me mainly by reason of another pass-port which had been issued to me previous to that time by the United States Minister at Berlin, either in the latter part of 1884 or the beginning of 1885. I do swear that that pass-port issued to me at Berlin was procured by my father Bernard Neumann, who is now dead, and as I was informed and do believe my said father made the necessary statements showing that he was a naturalized citizen of the United States, and that I was born abroad while my parents were temporarily residing abroad, which statements are true. My father also told me that he stated the date of his naturalization and gave all other necessary information.

My father died in 1886 in Hamburg, Germany. He told me while alive, that he came to the United States about 1848, and that he was naturalized after having been here the requisite length of time. I think my father told me that he was naturalized either in Washington or New York, but I am not certain which place. I do not remember the name of the vessel that my father came over on. My mother is also dead, she having died in 1881, in Hamburg, Germany. I have not been able to find my naturalization certificate of my father.

Sworn to before me this

24th day of August, 1887.

He says that he came to the United States of America with his father Thaddius Zinner when he was quite a young lad, to-wit, three and a half or four years of age and he has had a continuous residence in the United States of America ever since, never having left the United States since he came here in 1880, and he files herewith as a part of his application a certified copy of his fathers declaration of intention to become a citizen and also a certified copy of his fathers certificate of citizenship, which was granted to him in due form of law.

That he is advised and so states the fact to be that by reason of his father having been admitted to full citizenship during this affiants infancy, ~~that~~ that he is under the law a citizen of the United States and entitled to all the privileges as such. He says that he is desirous of completing his education in Germany and for that purpose expects to start for Freiberg in Germany at an early date where he will attend school for the next four years with a view of completing his education along certain lines in order that he may be more proficient in a certain line of work which he expects to follow in the United States of America, and that before entering school it is his desire and purpose to visit Austria, his native land, among his relatives and friends before entering school.

Subscribed and sworn to before me by Wenzel Zinner at my office in the City of Great Falls, Cascade County, Montana, on this 27th day of July, 1897.

C. M. Bickel
UNITED STATES COMMISSIONER.

In the matter of the application of Wenzel Zinner for a pass-port to visit Austria and Germany.

Thaddius Zinner after being first duly ~~w~~ sworn says: That he was born in Austria, and in January, 1880, he came to the United States of America and landed at the Port of New York and has had a continuous residence in the United States ever since. That afterwards on the 10th day of September, 1890, before the Court of Common Pleas of Essex County, New Jersey, he declared his intention of becoming a citizen of the United States of America, which is more clearly shown by the certified copy of his declaration of intention filed herewith and marked Exhibit "A". That after he had resided in the United States the requisite number of years he made application to the District Court of the Eighth Judicial District of the State of Montana, in and for the County of Cascade, to be admitted to full citizenship and on the 15th day of October, 1894, a certificate of citizenship was granted to him from the last named Court, a certified copy of which is herewith filed and marked Exhibit "B".

That at the time he came to the United States of America he brought with him his then infant son Wenzel Zinner, who was at that time three and a half years of age, and that his said son has had a continuous residence in the home of this affiant ever since he came to the United States and frequently since that time his son has announced his intention of permanently becoming residing in the United States and making it his home. He says it is his purpose to give his son a thorough education with a view of having him follow a certain line of work in this country and for that purpose he has decided to send him to Freiberg, Germany where he will study for four years before his education is completed.

WHEREFORE, in view of the fact that his son is now a citizen of the United States of America by virtue of his father having been regularly and legally admitted to citizenship, he respectfully asks that a pass-port in accordance with the rules and regulations of the Department of State be granted to his said son Wenzel Zinner to visit his old home Austria and afterwards to pass over into Germany where he can attend school at the place named above.
